Ski Trip to Folgarida, Italy – Half-Term Adventure

During half-term break, a group of our students embarked on an exciting ski trip to the picturesque resort of Folgarida in Italy.

The students enjoyed breath-taking mountain views while learning new skills on the slopes and embracing the thrill of winter sports. It was a fantastic opportunity for team building, personal growth, and creating unforgettable memories.

A big thank you to our staff and students for making this trip such a success!

Weekly Reflections
27th April 2025
2nd Sunday of Easter

From the Gospel of John (20: 19-31)

On the evening of that day, the first day of the week, the doors being locked where the disciples were for fear of the Jews, Jesus came and stood among them and said to them, 'Peace be with you.' When he had said this, he showed them his hands and his side. Then the disciples were glad when they saw the Lord. Jesus said to them again, 'Peace be with you. As the Father has sent me, even so I am sending you.' And when he had said this, he breathed on them and said to them, 'Receive the Holy Spirit. If you forgive the sins of any, they are forgiven them; if you withhold forgiveness from any, it is withheld.'

Now Thomas, one of the Twelve, called the Twin, was not with them when Jesus came. So the other disciples told him, 'We have seen the Lord'. But he said to them, 'Unless I see in his hands the mark of the nails, and place my finger into the mark of the nails, and place my hand into his side, I will never believe.'

Eight days later, his disciples were inside again, and Thomas was with them. Although the doors were locked, Jesus came and stood among them and said, 'Peace be with you.' Then he said to Thomas, 'Put your finger here, and see my hands; and put out your hand, and place it in my side. Do not disbelieve, but believe.' Thomas answered him, 'My Lord and my God!' Jesus said to him, 'Have you believed because you have seen me? Blessed are those who have not seen and yet have believed.'

Now Jesus did many other signs in the presence of the disciples, which are not written in this book; but these are written so that you may believe that Jesus is the Christ, the Son of God, and that by believing you may have life in his name.

Prayer for the Week

Dear Father,
Be with us as we pray.
Open our ears to hear your Word in the Gospel.
Unite us in faith, hope and love as we pray together.
Send your Holy Spirit to inspire and sustain us in our mission.
We ask this through Christ our Lord.
Amen.

Day 1

Why do you think Thomas doubts the other disciples' account of seeing Jesus?
How does Jesus unlock Thomas' belief?

Day 2

How are we sometimes like Thomas in lacking belief from others?
How can we be more like Thomas in our transformation from Mass to go out and spread the Good News?

Day 3

How can you use and show our school virtues to stop others doubting the true meaning of Christ?

Catholic Social Teaching - Peace

Today the world has a profound thirst for peace. In many countries, people are suffering due to wars which, though often forgotten, are always the cause of suffering and poverty." **Pope Francis, 20 September 2016**
Peace is not just the absence of war. It is part of God's nature, and a value we should all seek to live out in our daily lives.

"Inner peace is closely related to care for ecology and for the common good because, lived out authentically, it is reflected in a balanced lifestyle together with a capacity for wonder which takes us to a deeper understanding of life." **Pope Francis, Laudato Si', 225**

How this half term can you promote Peace in all that you do in St Joseph's and society?

Theme of the Week – He stood amongst them

This week, on Thursday, we celebrate our school Feast Day, St Joseph the Worker. And as members of this St Joseph's school community, our mission is **'Unlocking Belief in All'**. And what a fitting Gospel we hear from on Sunday. Jesus through touch, unlocks belief to Thomas. Absent when Jesus first appears to the disciples on the day of the resurrection. Jesus appears as they, the disciples, quake in fear inside a locked room. He bestows on them the Holy Spirit and the commission given to them to go out with authority to forgive sins. It is an experience of both total transformation and of responsibility. In Jesus' second appearance eight days later, Thomas is the central figure alongside Jesus. Thomas' absence requires him to believe on the testimony of others – a situation that he struggles with. His doubt is understandable, and Jesus does not judge him harshly. It is through the invitation to touch the wounds of Christ that Thomas' great acclamation of faith is born.

On a daily basis, we are called to believe on the testimony of others and this requires a degree of faith that Jesus recognises in a special way. The doubt of Thomas is transformed by his encounter with Jesus and he is empowered to be sent out to share the good news, just as our parish Priest says to us at the end of Mass, 'Go in peace to love and serve the Lord'. But also through your time here at St Joseph's; we will all **unlock our belief** by demonstrating our school virtues of being: *Intentional and Prophetic, Compassionate and Loving, Grateful & Generous, Faith-filled and Hopeful, Learned and Wise, Attentive and Discerning, Eloquent and Truthful, Curious and Active*. When Jesus was arrested and put to death, the disciples were very afraid and had run away and left him. But Jesus forgave them and wanted them to know that he would always be with them. Even then when Thomas showed doubt, Jesus did not become angry or left him out, he forgave his doubt and showed to him who he was. Thomas went on to preach the Gospel as far east as India – he took up the responsibility to share the good news.

So this week we are asked to take up this challenge. Have there been times of doubt in your life, where you have questioned yourself or your loved ones? What dispelled that doubt? The sense of touch is a powerful force, though many people are reluctant to reach out to others because of cultural restrictions or a fear of being too personal. Yet many people are starved of a touch that can bring healing, comfort, support and acknowledgment. Try to bring our mission and virtues to others when we go out into the community so they too can encounter Christ through you! Happy Feast Day!

The passing of His Holiness, Pope Francis

Please see the attached letter written by Bishop David to every student in Catholic Education across our diocese regarding the death of Pope Francis.

Monday we heard of the sad passing of our Pope, Pope Francis. Pope Francis was an incredible man who did lots for the Church and society as a whole in teaching us through words and actions of how we are to be more like Christ. Pope Francis truly illustrated what it meant to be a follower of Christ and built on the *Catholic Social Teaching Principles of the Church of Stewardship, Peace, the Option for the Poor, Common Good, Solidarity, Work and Participation and finally Human Dignity*. Today at St Joseph's, we came together for a whole school Mass to remember Pope Francis and to thank him for his service to the Church. Pope Francis, when concerned, wrote prayers and left them under a sleeping St Joseph placed on his desk. All Form Groups at St Joseph's have the same sleeping St Joseph and so this week we ask all students, staff and parents to pray for Pope Francis to St Joseph.

Oh St. Joseph, whose protection is so great, so strong, so prompt before the throne of God. I place in you all my interests and desires. Oh St. Joseph, do assist me by your powerful intercession, and obtain for me from your Divine Son all spiritual blessings, through Jesus Christ, our Lord.

So that having engaged here below your heavenly power, I may offer my thanksgiving and homage to the most loving Fathers. Oh St. Joseph, I never weary of contemplating you and Jesus asleep in your arms; I dare not approach while He reposes near your heart.

Press him in my name and kiss his fine head for me and ask him to return the kiss when I draw my dying breath.

St. Joseph, Patron of departing souls, pray for me and my loved ones.

Amen

Mr Hunt – Head of Year 8

Year 9 News

Welcome back to a short, but jam-packed term. Students have St Joseph's Day to look forward to next week, with a slightly different twist where all students are being given the opportunity in their Forms to carry out tasks centred on the *Catholic Social Teaching Values*, such as reflection and inclusive Sports Days. On **Friday 25th April (Period 1 and 2)**, we had **Whole School Mass** to mourn the passing of Pope Francis.

Miss Joseph – Head of Year 10

Year 11 News

Dear Year 11 Students, Parents and Carers,

This week has been shorter than usual due to the bank holiday, and as expected, the number of entries is slightly lower. We recorded **437 positive points** and only **15 negatives**, which is encouraging. The main reasons for negative entries were **lateness (5)**, **incomplete homework (7)**, and **disrespectful behaviour (3)**. Let's continue working together to keep our standards high, especially in these final few weeks.

GCSE Exams & Interventions

As we approach the start of the **GCSE exams in the second week of May**, after-school **interventions continue to run as normal**. Please check ClassCharts and Teams for specific information from subject teachers. Attendance to these sessions remains one of the most important things students can do to improve their outcomes.

Leavers' Assembly – Friday 2nd May

Next Friday, we will be celebrating the end of the Year 11 journey with our **Leavers' Assembly**. It promises to be a memorable day with:

- **Shirt signing tradition** – students may bring in a white shirt to be signed.
- **Barbecue and Student vs Teachers Football Match** after the assembly.
- **Leavers Video** – So far, **we have received no photos or videos**. If no media is submitted by students, **the video will not be created**. Please email or upload your memories as soon as possible.
- **Leavers' Speeches** – Two students will be selected to give a short speech during the assembly. If no one volunteers, we will choose students on their behalf.

Leavers' Hoodies

The **online shop for Leavers' Hoodies** is open until **30th April**. Orders must be placed before the deadline. Hoodies will be distributed at school **by the end of May**.

Thank you as always for your ongoing support during this crucial time. Let's make these last weeks count.

Mr Romero – Head of Year 11

Year 13 News

As we approach exam season, it is important that Year 13 maintain their hard work and focus on their revision. There are lots of revision resources available to them on the Year Group Teams page and teachers can provide extra resources if needed. As a parent/carer, you can support your child in the following ways:

- Ensuring they have access to a distraction-free study space.
- Encourage them to study without a phone or device.
- Give them regular, balanced meals.
- Reward their efforts.
- Ask them questions about their revision; What are they studying? What are their areas of weakness and how are they addressing them? Test them on their knowledge.

All students have had their exam timetable. If they have any concerns, then they need to see either myself or Miss Euden. We are planning their **Leaver's Assembly for 9th May**. I am planning to put together a slideshow of photos to celebrate the students' time in school. If you have any photos you wish to share, please could I ask that you email them to me at l.finn@st-josephs.slough.sch.uk.

Have a wonderful weekend.

Mrs Finn – Head of Year 13

Inter-Form Competition

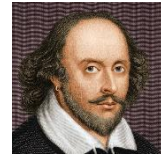

The Spring Term PE Inter-Form Competition was nothing short of a spectacular display of athleticism, teamwork, and sportsmanship. Students came together to compete in both football and rugby, representing their forms in a series of intense and exciting matches. The event not only highlighted their physical prowess but also their commitment to *being active and curious*, pushing the boundaries of their skills while fostering a love for sport and competition.

The football and rugby fields were buzzing with energy as students gave their all, showing what it means to *be intentional and prophetic* in their approach. Every pass, every try, and every goal reflected a deep understanding of strategy and purpose, as players worked to anticipate their opponents' moves while remaining determined and focused on their team's success. It was a testament to their dedication and their ability to think ahead — skills that will undoubtedly serve them in every aspect of life.

Shakespeare Day Celebration – In Partnership with TVLP

This Wednesday, we proudly hosted *Shakespeare Day* in collaboration with TVLP, welcoming students from 10 partner schools to celebrate the Bard's legacy in a fresh and inspiring way.

Held fittingly on Shakespeare's birthday, the event featured a morning of engaging acting workshops led by actors and staff from Artemis College of Performing Arts:

- **Forum Theatre Workshop** – A creative two-part session where students directed a Shakespeare scene and then devised their own, using interactive theatre techniques.
- **Scene Setter Workshop** – An immersive experience that brought Elizabethan England to life through music, costume, and performance, offering students a vivid taste of Shakespearean theatre.
- **Shakespeare for Everyone** – This unique workshop explored the surprising links between Shakespearean sonnets and modern rap, uncovering shared themes such as love, betrayal, and ambition.

Students also attended an **expert talk on Shakespeare**, deepening their understanding of his work and its continued relevance today. At lunch, a lively **interschool Shakespeare quiz** brought some friendly competition.

The day concluded with a powerful performance of *Macbeth* by the **Globe Players**, specially tailored for Years 9 and 11. The production, delivered by professional actors, was followed by a Q&A session that gave students the chance to engage directly with the cast.

A **heartfelt thank you goes to our students**, who showed exceptional energy, enthusiasm, and open-mindedness throughout the day. You were fantastic hosts and true ambassadors for the school – well done!

Girls Flag Football

On Wednesday 23rd April, the Girls Flag Football Team travelled to Grasshoppers RFC to take on Kingsbury High School in a must-win game to come Top 2 in their pool, and progress to Finals' Day on 9th May. We were kept waiting in anticipation until 4pm, when they finally showed up. We chose to start on offence, scoring 12 points from our first two drives. The game ended with a 40-0, where we now move on to play group leaders, Northwood School, next week in the final pool game.
